Dear Mr. Donahoe:

We trust all is well with you! We want to thank you for sending us the whip, crown, and nails. They have been a great blessing at our retreats. They have helped so much in bringing alive the reality of the crucifixion. They were made very realistically, and we know you have put much effort into creating them.

Thanks again for your promptness in mailing our order. We will be referring you often in the future. May God Bless you.

Sincerely,

Jo Forbush,
