Dear Pastor / Leader:

The purpose of this letter is to introduce you to a gifted man by the name of Mark Donahoe. Mark is a faithful and committed part of the Stone Church family. He is also an artist who produces some very creative and useful tools for ministry.

I would encourage you to take advantage of the giftings God has given Mark. For example, one of the useful items Mark makes is a whip. He has done extensive research on the kind of whip used to scourge Jesus. Matter of fact, the whip he made for me personally was a key prop when one Easter I presented the Whip, Hammer and Cross drama to my congregation.

Mark stands ready to serve you in any way possible. He will answer any questions you may have and his customer service after delivery of a product is outstanding. He will bless you!

If I can be of any further assistance in answering questions, feel free to give me a call.

Sincerely in Christ,

Jon Oletzke  
Pastor, Stone Church
